Accredited by HON since 2000

Your personal HONcode ID number is: HONConduct847991

The HONcode accreditation ensures that this site is in compliance with the 8 standards regarding ethics, quality and accessibility of its medical and health information.

Since 1996 the HON Foundation, a Non-Governmental Organisation, is the only organisation enforcing its HONcode through a formal application/accreditation process with annual auditing, all free of charge. Used by thousands of health and medical web publishers in 72 countries and 32 languages, the HONcode aims to protect citizens from unreliable or unethical medical and health information.
